

PET FRIENDLY POLICY

Please ring reception on 03 5334 1600 to check if we have a pet friendly room of the type you need available on the dates you require. Bringing a pet to a room not designated pet friendly will incur a hefty cleaning fee.

There is a one off \$20 fee for pet friendly rooms payable on check in.

Pets are required to be house trained and if they soil the room an additional cleaning fee will be charged. When your pet makes a mess on the grounds, you are required to clean up after them immediately.

Dogs must be on a leash when outside of your room and are not permitted to enter another guest's room. A map to a nearby off-lead dog park will be provided on check in.

Your pet must be quiet and well behaved. Should your pet cause a disturbance to other guests you may be asked to leave or house your pet elsewhere.

This policy refers to one pet only. Should you have multiple pets, please check with reception when booking whether we can accommodate your needs. For example, we may be able to accommodate 2 small pets but can not accommodate 3 large dogs.

Pets can not be left unattended in the rooms for more than one hour at a time and house keeping will not be able to enter the room for room service if your pet is inside.

We thank you for your understanding and hope you and your pet have an enjoyable time at Bell Tower Inn.
